## The Amendment says:

### RIGHT TO REPRODUCTIVE FREEDOM

“That **every person**, as a central component of an individual’s right to liberty and equality, has the fundamental right to reproductive freedom, including **but not limited to** the ability to make and effectuate decisions to prevent, continue, or end one’s own pregnancy. The State may not, directly or indirectly, deny, **burden**, or abridge the right unless justified by a compelling state interest achieved by the least restrictive means.”

- No minimum age, male and female
- No parental consent requirements
- Marylanders bear the financial “burden” of the new rights

**Important Note:** There are no Maryland laws that prevent ADULTS from seeking and obtaining reproductive interventions.
